

PERFECT RADIATOR PREMIXED COOLANT RED

DESCRIPTION

DashOil perfect long-life coolant is a ready-to-use, red-colored cooling liquid designed for vehicle cooling systems, offering anti-freeze and anti-corrosion properties. This coolant ensures effective engine cooling without boiling, protects against corrosion of the alloys used in vehicle cooling systems, and is compatible with conventional seals and hose materials. Additionally, it provides efficient lubrication of water pumps, protection against cavitation corrosion, and reduces heat resistance, thereby enhancing the overall performance and longevity of the engine cooling system.

SUITABILITY

Suitable for all types of petrol and diesel engines for cars and motorcycles, 4-stroke engines, and scooters. Always adhere to the motorcycle or car manufacturer's instructions.

RECOMMENDATIONS

Read before use. Do not add any water. Refer to the manufacturer's recommendation for the drain interval. This product should not be used to protect drinking water systems against freezing.

PROPERTIES & CHARACTERISTICS

NAME	METHOD	TYPICAL PROPERTIES
Colour	Visual	Red
Specific Gravity @ 20	ASTM D4052	1.1319
pH of 50% vol. % solution	ASTM D1287	7.5
Freezing Point (°C)	ASTM D1177	-25
Reflux Boiling Point (°C)	ASTM D1120	110

STORAGE

Avoid light exposure during storage.
